N/A stands for Not Applicable

*All of the software products handle the basic aspect of a club night: attendance, handbook progress, awards, points, etc. so we have not listed those for Comparison

^a Annual maintenance and support fee is \$120/year. Awana catalog and curriculum are updated along with the software.

^b Additional user licenses can be purchased for \$50 for each concurrent user needed.

^c Approved Workman has a tiered pricing system based on the number of users. See their website for details.

^d ARK does have a native smart phone app Android and iOS (common features: attendance, sections, view individual info, common reports)

^e All online products work with all operating systems on phones, tablets, computers, etc via the browser accessing the website/database
