Lesson Summary

Do you want to know what your child learned this week? Read this lesson summary and reflect on what you think about this topic!

Since God loves us and He is the God of peace, He wants us to have His peace. We can never be truly at peace or have patience with ourselves or with others without God.

Conversation Starter

Your child will ask you to share from your personal experience! These also appear in the kid's handbook Start Here activity each week.

You will be asked: "What is the most peaceful place you have ever been? Where were you and what made it so peaceful?"

Memory Verse

Are you curious what your child is memorizing this week? See if you can memorize the verse(s) too!

2 THESSALONIANS 3:16

Now may the Lord of peace Himself give you peace at all times in every way. The Lord be with you all.

T&T MISSION: DISCOVERY OF GRACE

Coming Next Week ...

Lesson/Memory Verses: 4:4 — Discovery of Kindness and Goodness / Ephesians 2:10

Conversation Starter: What have you done for someone else that you didn't expect something nice in return? Whom did you do it for and what did you do?

Encouragement for You

Need some inspiration on the journey?

In the Bible, Jesus showed patience with His disciples over and over again. Being patient with circumstances and people isn't always easy. We live in a chaotic world, and we desperately need God daily. Parenting, in particular, is filled with situations demanding our flexibility and patience. When things don't go the way you intended or you are frustrated with others, do you pray for a Christ-like patient attitude and ask the Holy Spirit to guide you? When we submit to God's authority and will, His peace and patience will flow through us.

Make It Stick

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

Change Position — Have your child read the memory verse while standing on one foot. Read the verse again with his or her arms straight up in the air. Continue to read the verse while having your child change his or her body position each time. Options might be standing on his or her toes, putting his or her hands on top of the head, or swinging his or her arms back and forth.
